

For Citizens,
Higher Standards Mean
Leaving Some
Things
Behind.

Citizens Medical Center now recognizes DNV Healthcare Inc as its accrediting agency of choice. DNV bases its program on the integration of ISO 9001 Quality Management System with standards set by the Centers for Medicare and Medicaid. This innovative approach to an aging accrediting model emphasizes organization-wide improvements. In turn, it increases the quality of patient care. An intimidating task for some, however, Citizens is up to the challenge.
