Aligning Accreditation and Quality: The DNV Perspective

We are delighted to welcome Becky Wise COO and Patrick Horine, Executive VP of DNV Healthcare as our conference speakers.

DNV Healthcare now offers a groundbreaking new hospital accreditation program approved by the US Centers for Medicare and Medicaid Services. Annual deemed status surveys and quality-improvement engine in one seamless process.

Accreditation the way it was meant to be.

Highly collaborative annual surveys that don't dictate policies and templates to you. But rather trigger the talent and know-how of your own dedicated staff to find the absolute best way to do things.
